Sir,

I have the honor to state that the Amildar, T. Narasipur reports that a report having been received that Sri Balakrishnananda Swamigalu of Talakad fell ill on the 25th ultimo, the Sanitary inspector was sent to Talkad to look into the matter. He returned in the evening with the news that the Swami was no more. Thereupon the Amildar in company with the Sub Assistant Surgeon of the place went to Talkad and learnt on enquiry that the Swamy died of plague. As it was late in the night, the funeral ceremony was postponed to the next day.

Regarding the movable properties of the mutt, brass vessels and some idols, were found in the Mutt (the latter in a room), one locked safe was found in the hall. They were kept under the Amildar's seal till the next day.

The next morning the funeral ceremony etc. were completed and in the noon the safe was, it is reported, opened in the presence of the Panchayatdars and the Agent of the Mutt. The contents were checked and placed again in the safe which was locked and sealed. The key of the safe is reported to be kept in the Taluk Treasury in a sealed bag. The movable properties were handed over under a Mutchalika to the Agent's care. Some others of the mutt who had caught the ~~ingenction~~ infection were separately kept.

The Amildar in his report No. 264 dated 4th March 1919 reports that the agent is also suffering from plague and that the

Sheikdar has been instructed to collect all information about Kutt management from the Agent, and that the police have been directed to look to the safety of the properties with the Agent.

Amildars report Numbers 259, 262, 264, dated 27th February 1919, 2nd March 1919, and 4th March 1919 respectively also accompany for reference and kind return.

In continuation of my letter No. R.C. 525-18-19, dated 6th instant. re the death of Sri Balakrishnandaswamigalu of Talkad, I have the honour to state that the Amildar, T.Narsipur, in his report No. 265, dated 5th March 1919, states that the Agent of the Mutt also died on the 3rd instant, that no information was collected from the Agent as he did not at all recover his conscience. The properties, left in the care of the late Agent, are reported to have been transferred to the care of his son under a proper mutchalika.

In this connection, the Amildar reports that the Police Inspector has been requested to pay special attention regarding the safety of the Mutt properties, as the town is being vacated on account of plague and the Sheikdar has also been instructed to assist the Police Department in this connection.

Sir,

With reference to G.O. No.2915/Muz. 545-18-3.dated 22nd March 1919 and subsequent references as per margin from your office, re-the affairs of Sri Balakrishanananda swamy Matt at Thalkad, I have the honour to state that the late Swamy has not nominated his successor.

From the records it is seen that petitions from Basavanna Devaru , Venkataramiah, Srinivasiengar and Narasimhia have been received stating that the management of the Matt is very unsatisfactory and that proper arrangements be made to bring the same to a good order. Of these the first three appear to have been written by one and the same person under assumed names. The Amildar , T.Narasipur reports that on enquiry Basavanna Devaru and Srinivasiengar state that the petitions were not written by them and that they know nothing in the matter. Regarding the allegations in the petition, the villagers in their Mahazir dated 27th April 1919 state that the Swami never kept any money with him uninvested, that the allegations are false and that some person must have put in petitions with mischievous intentions.

In this connection some of the desciples of the Matt have put in an application to the Amildar praying that one

one Srikanta, aged 10 years, the third son of the Gangamma of Yiliyur, Kunigal Taluk, Tumkur district may be inducted into Sanyasaramma and appointed as Swami of the Matt as they consider him to be the fit person for the place. The widowed mother and brothers of the boy have also presented an application urging the above proposal.

4 The Amildar in submitting the entire records recommends the grant of the prayer of the deceased. The Sub Division Officer, Nanjangud, proposes that the matter may be over for about six months with view to find out if any Takarars are forth-coming in the

5. The Vernacular file of records ending with the Sub Division Officer's No.K.O.C. 718 of 18-19 is sent for kind perusal.

6 Regarding the taking over of the Matt with effect under Government management, the Amildar in his No.95 dated 2nd April 1919 received through the Sub Division Officer with No.O.C.728 of 18-19 dated 3rd July [illegible] that the big brass vessels and the [illegible] have been left in the [illegible] a proper Kutchaliya, [illegible] some deal-wood boxes have [illegible] the silver vessels and jewels [illegible] been deposited in a safe which [illegible] A sum of Rs.304-8-0 has been [illegible] obsequies of the late Swami [illegible] Paddy which remained with [illegible] The balance of 28-8-0 is [illegible] Co-operative Society. Sir,

With reference to the correspondence ending with your letter No.647/Muz.548-18-29 dated the 17th August 1920, calling for a report on the petition of one Dalipathaiya protesting against the nomination of the boy Srikanta as successor to the Sri Balakrishna--nanda Matt at Talkad, I have the honor to state that from the report received from the Sub Division Officer, Nanjangud, it is seen that Dalipathaiya objects to the succession of the boy in question to the Matt on the ground that (Dalipathaiya's) his application for Shanbhogi right of Koppalu village which is endowed as Inam to the Matt in question has not yet been disposed of.

Shanbhogi Huk has nothing to do with the appointment of a successor to the deceased Swamy of the Matt. The case will be disposed of separately on its merits under the Village Officers' Regulation. It is reported that he is merely trying to thwart the arrangements made by others by bringing in some frivolous obstacles such as Shanbhogi hak etc, into the question of installing the boy to the Peetha.

The Sub Division Officer reports that he saw the boy Srikanta on the 9th September last and found him to be fairly intelligent. He is further of opinion that with the training which may hereafter

be arranged for, he is likely to prove a proper successor to the late Swamy.

As the Matt is without a Swamy for some years past and as the devotees have been repeatedly urging for the appointment of a successor to the Peetha, I request that you will be so good as to obtain the approval of Government to the proposals contained in this office letters No. Ref.A.C.525/18-19 dated 14th October 1919 and 2nd July 1920 at an early date.

The vernacular records ending with the Sub Division Officer's report No.R.H.C.209/20-21 dated 9th September 1920 are herewith forwarded for reference and return.

Proceedings of the Government of H.H. the Maharaja of Mysore.

Read:--

Correspondence ending with letter No.525 of 18-19 dated 14th October 1920, from the Deputy Commissioner, Mysore District, regarding the nomination of a Guru in succession to the deceased Swami of Sri Balakrishnanda Matt at Talkad, T.Narasipur Taluk.

Order No. 2565 Executive
Muzrai 545-18-33
Dated Bangalore, 24 November 1920.

The Matt is a Muzrai Institution endowed with Inam lands in T.Narasipur Taluk and it also owns an Inam land in the adjoining British Taluk of Kollegal. The Deputy Commissioner reports that the Matt derives a net income of Rs.4-11-5 in cash and 235 candies of paddy from Mysore endowments and Rs.107-1-4, from the lands in the Madras Presidency.

2. The Swami of the Matt died of plague on 27th February 1919, and his agent also caught the infection and died on 3rd March following. The properties of the Matt were then taken ~~over~~ under the custody of the local officers and the Matt's affairs have been under the management of the local officers since the ~~death of the Swami~~.

3. It is now reported that the disciples of the Matt have selected one Srikantiah, son of Ganganna of Yeliyur

(Kunigal Taluk), for induction into Asrama to preside over the Matt and that the - - - widowed mother and brothers of the boy, who is aged 10, are in favour of the induction. The Sub-Division Officer reports that he saw the boy and found him fairly intelligent.

4. The Deputy Commissioner recommends the selection for approval of Government and he further proposes that the ----- affairs of the Matt may be taken over under Government management and arrangements made for the boy's education and training.

5. Under the circumstances reported, Government are pleased to approve of -- the nomination of Srikantian to the Headship of the Matt.

6. But the Deputy Commissioner's recommendation to take over the management of the Matt does not however commend itself to Government; it is a course which should not be ~~encouraged~~ except in very rare cases where the intervention of the Government may be rendered necessary as an extreme measure. The management of the affairs of the Matt will, therefore, be handed over to the deciples of the Matt, who may be asked to make their own arrangements --- looking to the Government Officers for such help and co-operation as may be found necessary in the bona fide interests of the institution.
